Re: Hampton Police Division's Memorial Ceremony
Monday, May 15, 2017 in Honor Park

Dear Mr. Hallman:

This year's Police Memorial Ceremony proved to be a most memorable event. Well over 150 people joined the members of the Hampton Police Division and the families of our fallen officers to honor the occasion. I wanted to take this opportunity to thank the members of the Police Association of Virginia for the beautiful flower wreath. It was a uniquely exquisite array of flowers that enhanced the significance of our ceremony.

We are eternally grateful for your continued support and appreciation for all that our officers must endure in the line of duty. With kindest regards, I remain

Very truly yours,

Terry L. Sult
Chief of Police
